solarpanel

Foredeck with
hatch

Foredeck with
Esthec

Leisure mode

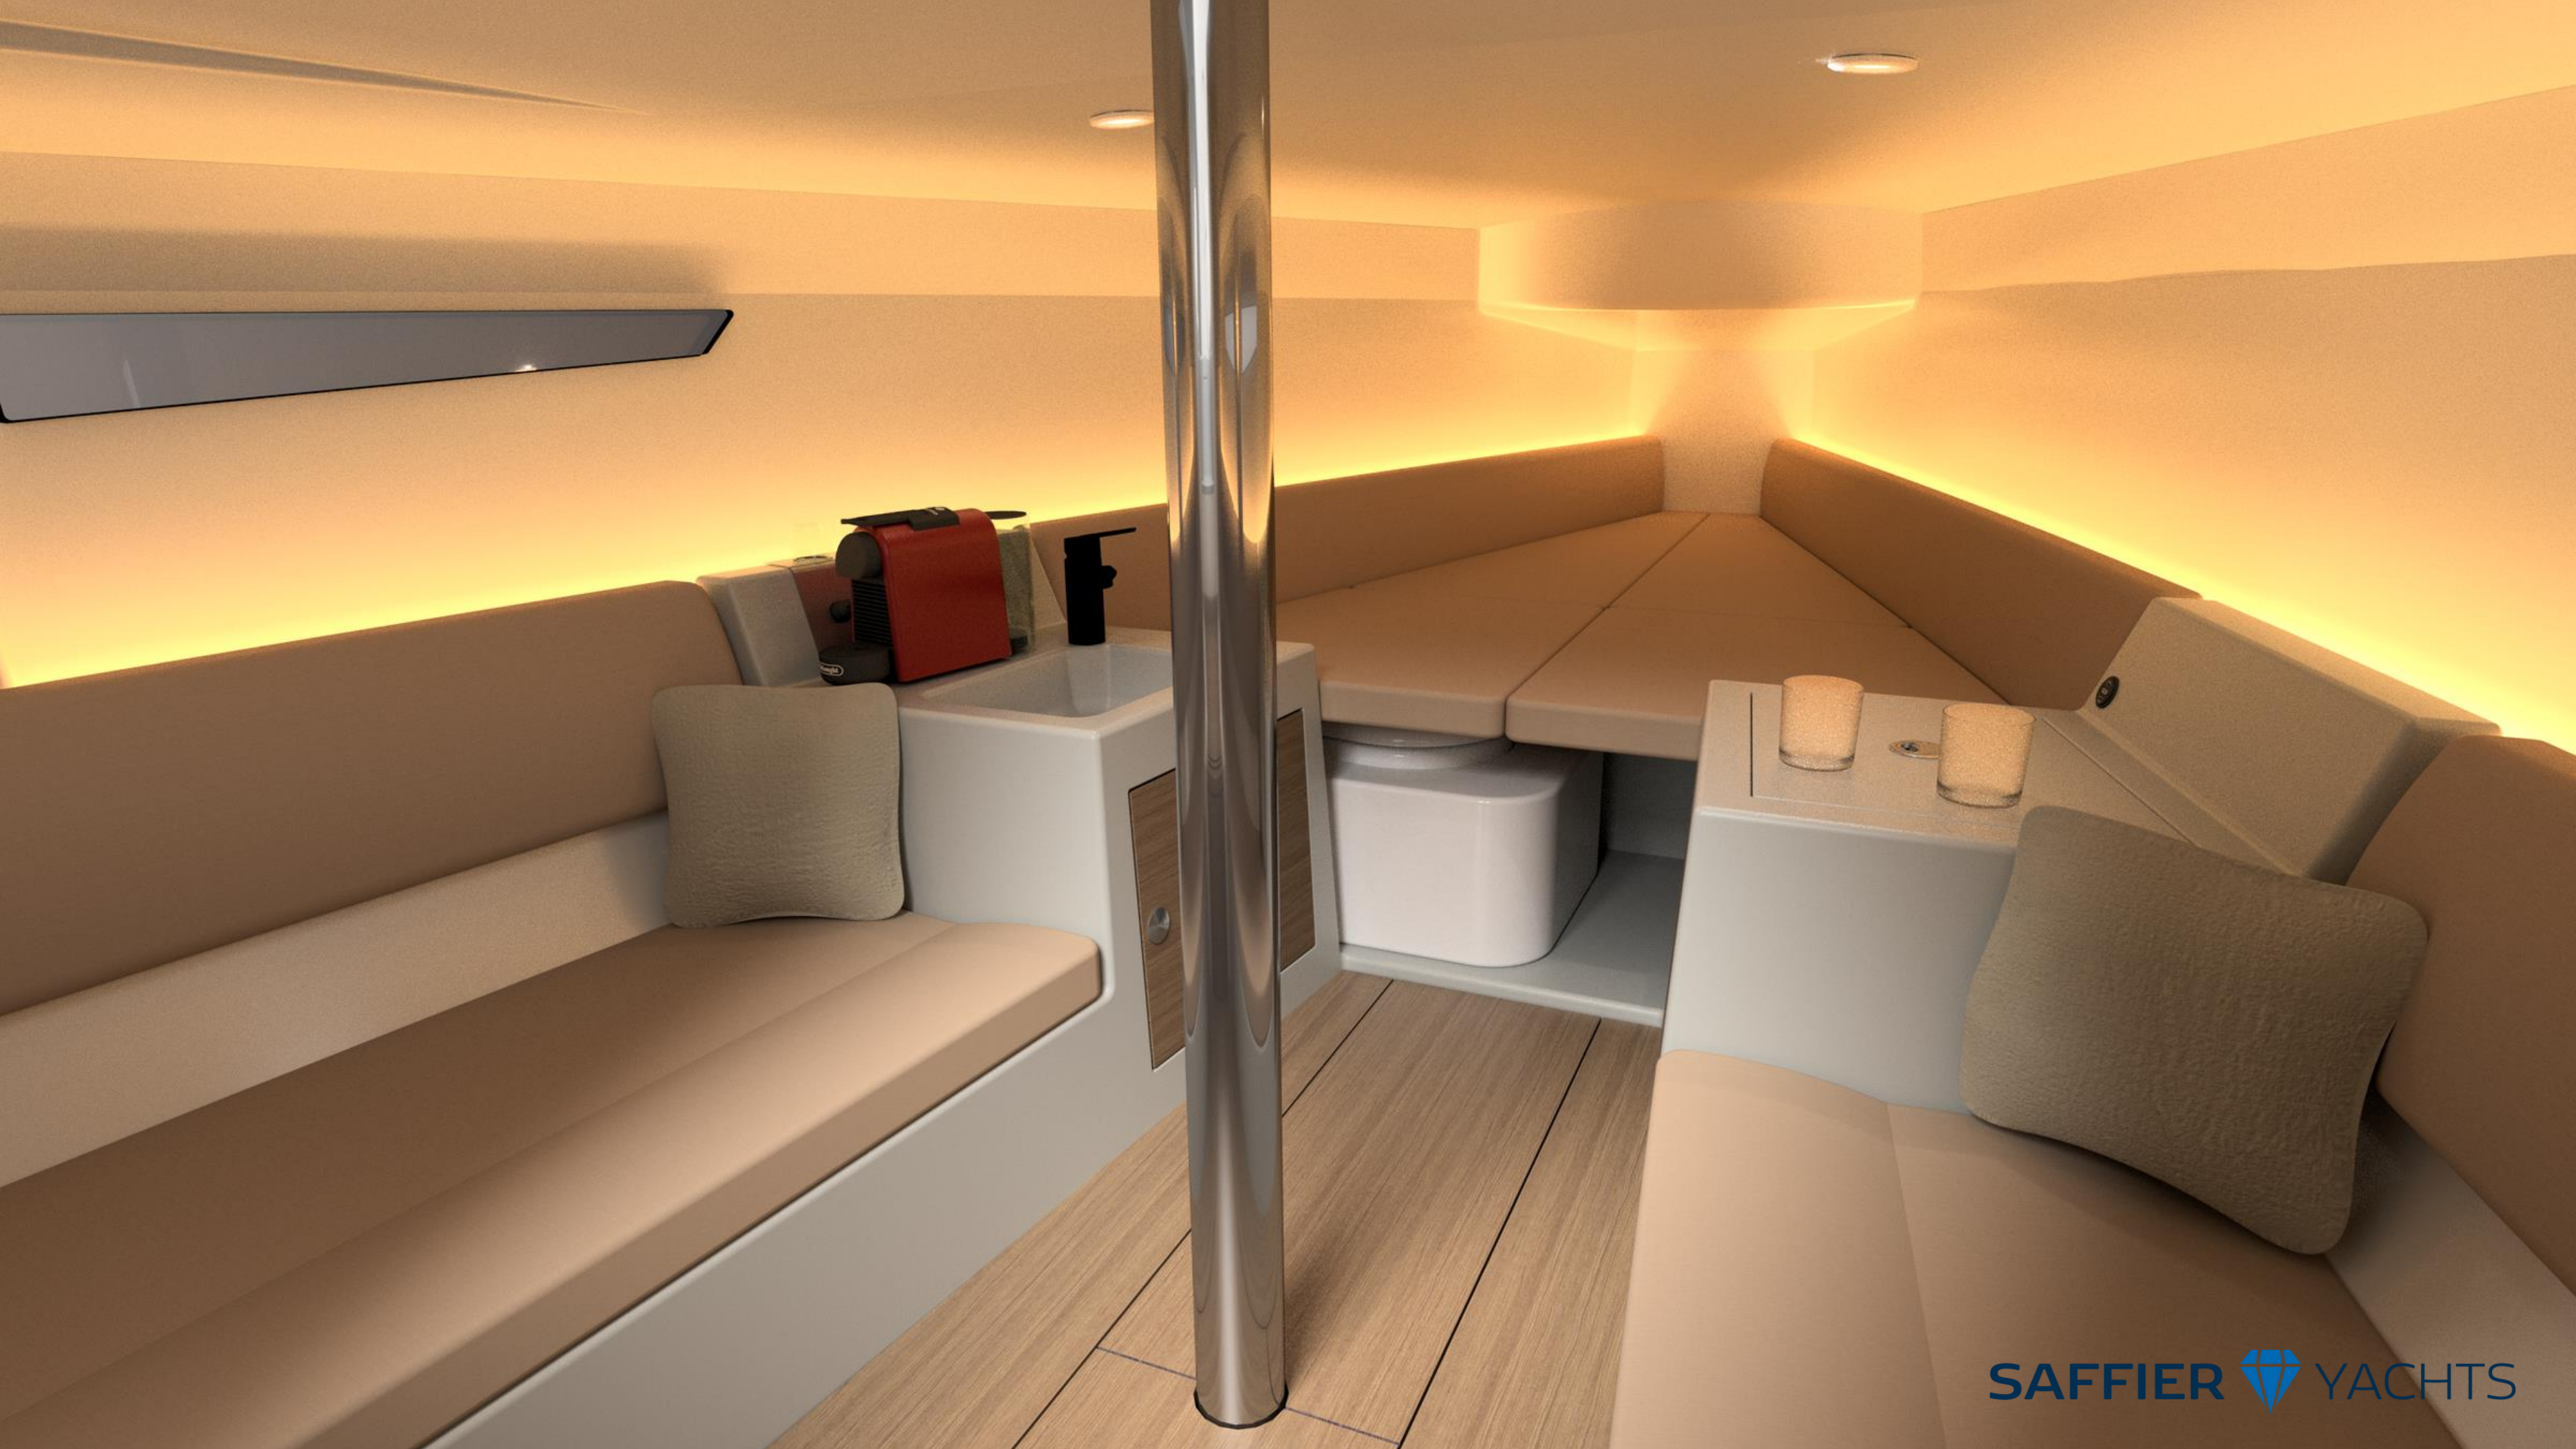

Racing mode

Very comfortable interior

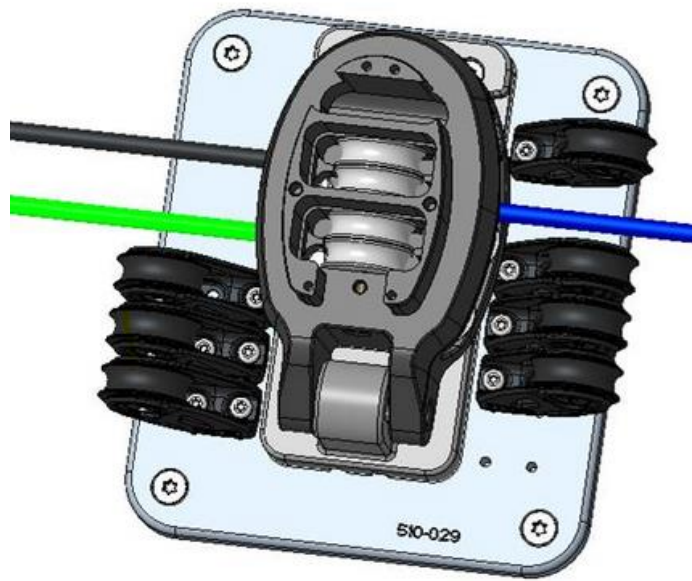

Diesel engine

Electric engine

Mast base

Specially developed for the SE 28.

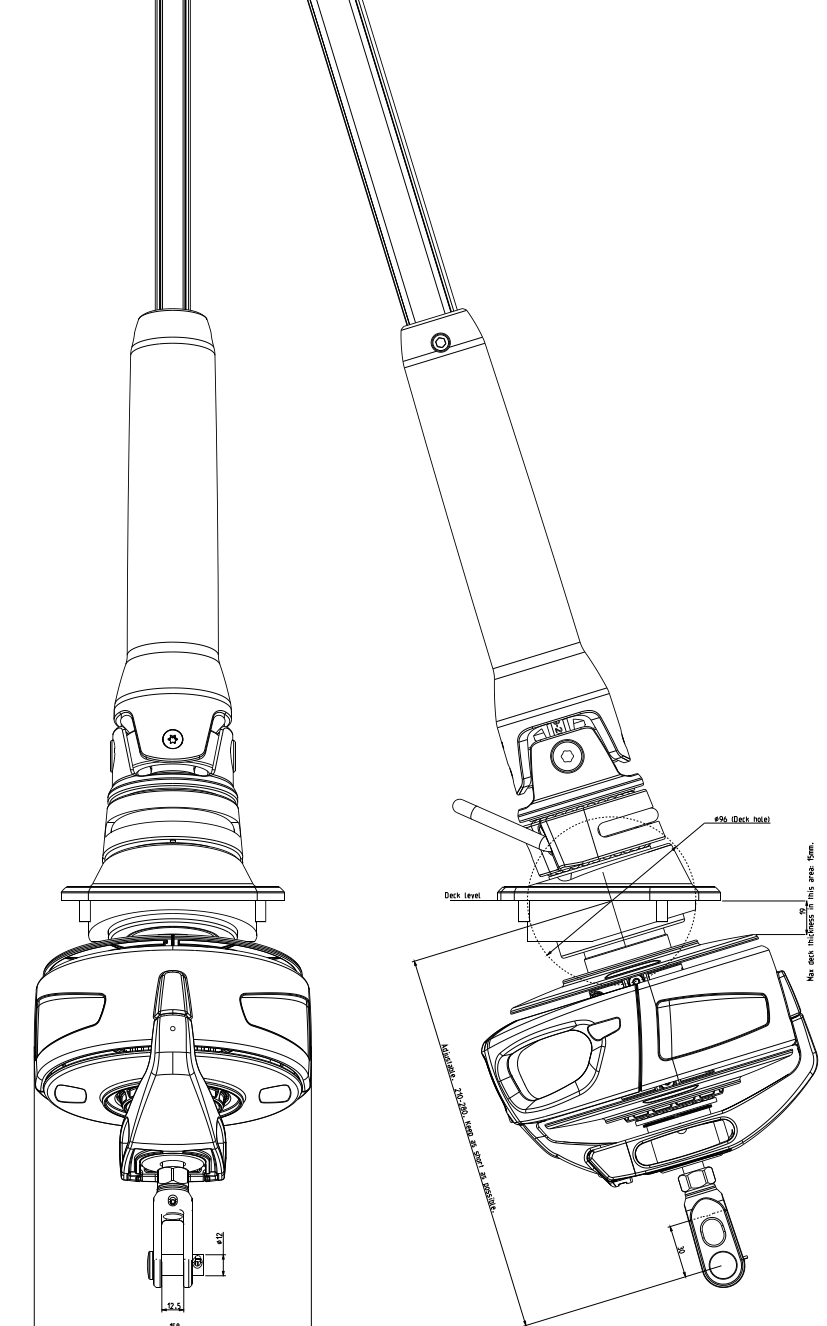

RBB 50 block

A roller-bearing block designed specifically for Saffier. Compact in size, yet exceptionally strong.

E40REV winch

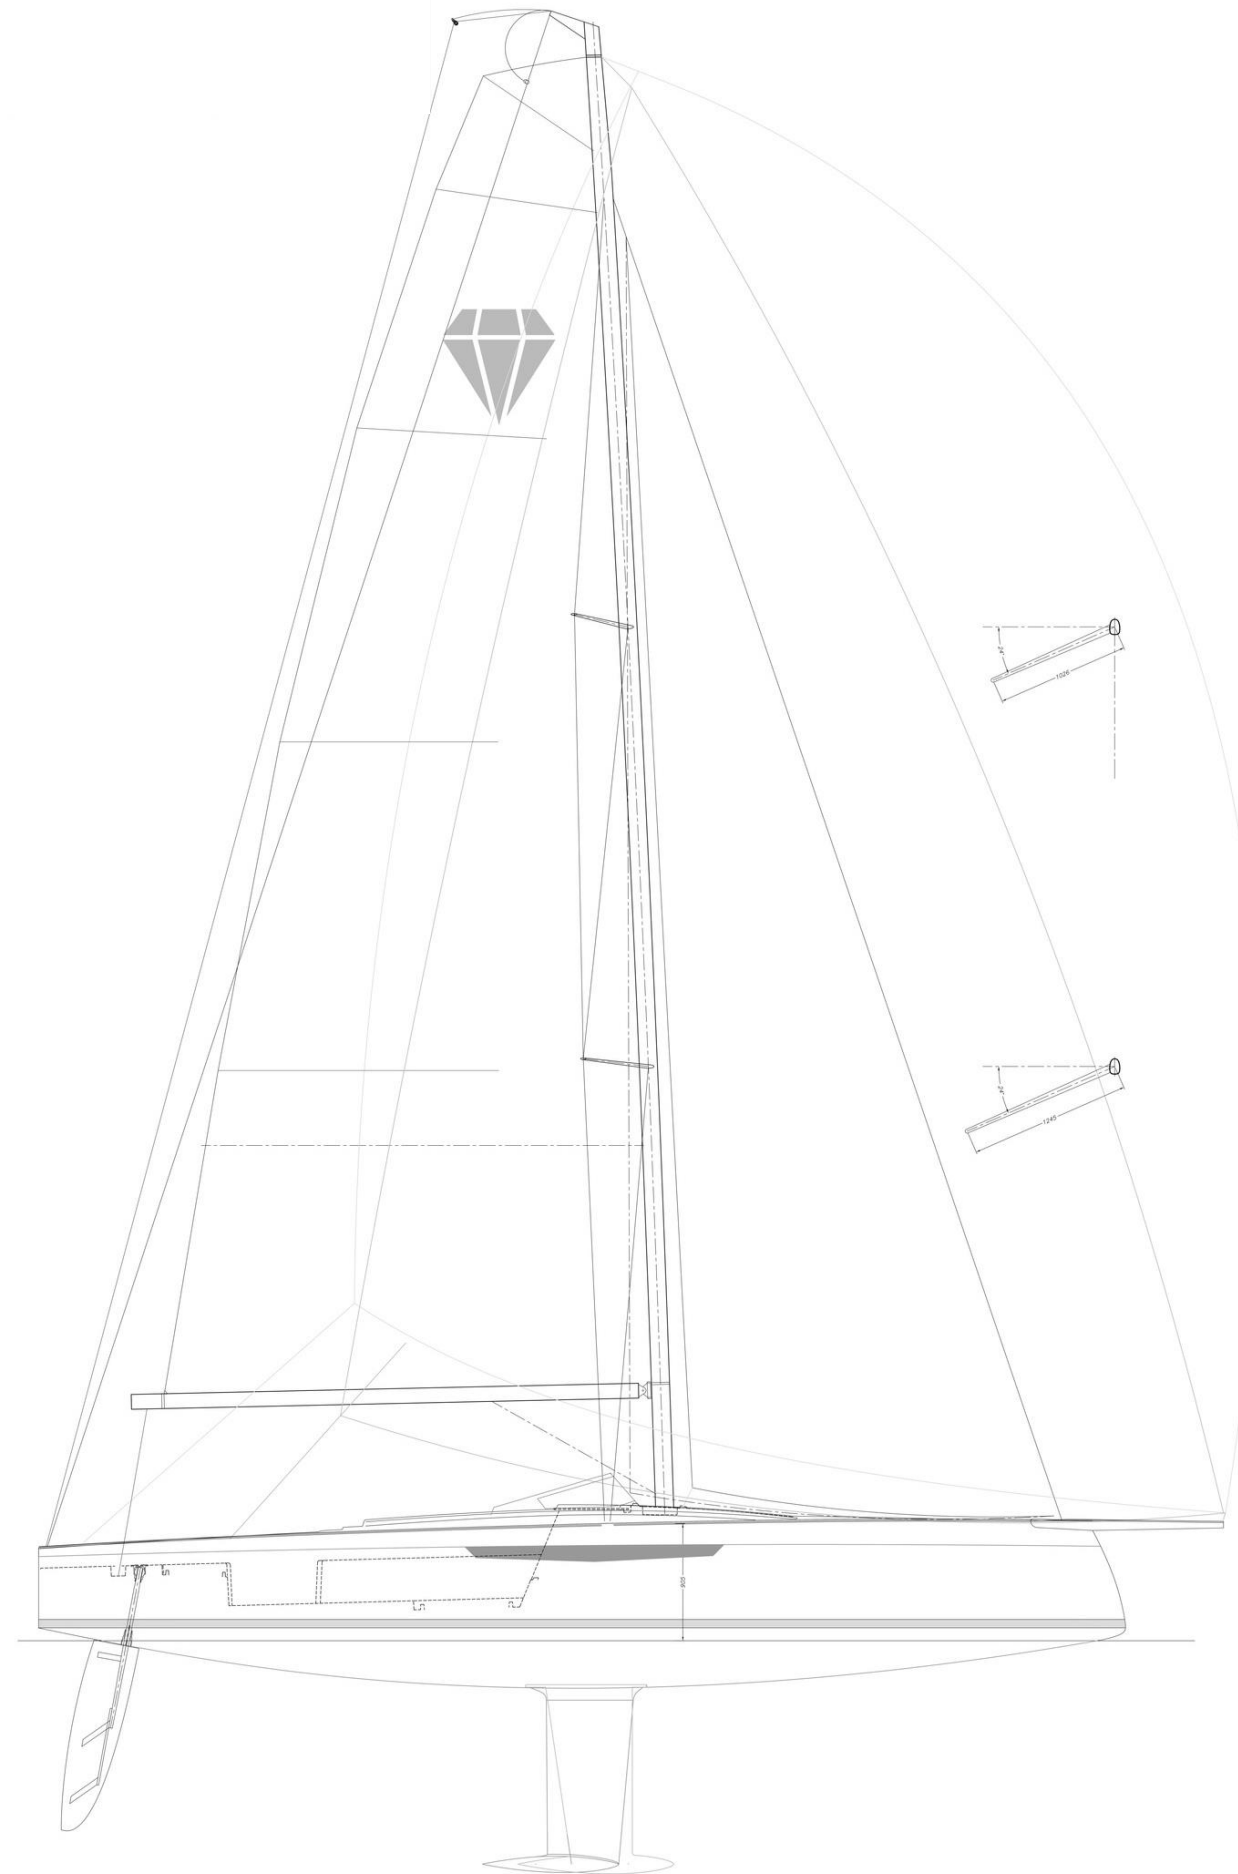

This winch is equipped with a brushless engine and offers two speeds, both forward and reverse. Operation is kept simple with just two buttons.

104TD General layout

Furlex 104TD

Developed in response to your request for a more compact thru-deck Furlex system.
